Math 595

Semester 091

Delivery of Course

A: Students Contribution

The course was based on lecturing by students. Every student was required to submit his work after the lecture. Result was made on the basis of performance in lectures and the submitted work.

B: Instructor Contribution

Some formal lectures were delivered. Problems faced by the students were discussed during and after every class.

C: Out Comes

At the end of the course every student was suggested to read a paper. It was observed that the students were able to reproduce most of the calculations of the suggested papers.
