Remarks and Policies

Homework:

- The selected homework problems indicate the levels of the breadth and the depth of coverage. To acquire proficiency on solution methods, the students are strongly urged to solve much more problems than indicated in the syllabus.
- **Review Material:** In the introduction of each section in the textbook, *review material*, if any, is indicated. **Students** must do all reviews. Students should make a plan, based on the Syllabus, for all review materials required for the course.

Exams:

- Any student **missing a major exam** with or without excuse **will not be given a Make-Up Exam**. However, a student missing an Exam with an official excuse from the “Deanship of Students Affairs” will be compensated according to the following policy.

Exam Missed by the Student: Grade to be compensated: = ExM, Ave of Exam: AveM

Exam Taken by the Student: Grade obtained = ExT, Ave of Exam: AveT

Final Exam: Grade obtained = ExF, Ave of Exam: AveF

$$\text{ExM} = \text{AveM} + [10(\text{ExT} - \text{AveT}) + 14(\text{ExF} - \text{AveF})] / 24$$

- **Class Work (60 Points = 15%):** The policy on the class work will be determined by your course instructor and will be announced during the first week of the semester.

Attendance:

- Attendance is compulsory. KFUPM policy with respect to attendance will be strictly enforced.
- Any student accumulating **9 unexcused absences** will be awarded DN Grade in the course.
