- The Dates of Exam I and Exam II are suggested by the College of Sciences to avoid any conflicts with other exams.
- The Final Exam is comprehensive.
- MATLAB will be used whenever possible.
- KFUPM attendance policy will be enforced.

Exams and Distribution of Marks:

- Major Exam I (22%) (Sections 1.1-3.3):
- Major Exam II (22%) (Sections 3.4-5.3):
- Final Exam (36%) (Comprehensive):
- Quizzes + Homework (20%): At least three quizzes.
- KFUPM attendance policy will be enforced.

Missing one of the Two Common Major Exams I or II: No makeup exam will be given under any circumstance. When a student misses Exam I or Exam II for a legitimate reason (such as medical emergencies), his grade for this exam will be determined based on the existing formula which depends on his performance in the non-missing exam and in the final exam.

Attendance: A DN grade will be awarded to any student who accumulates **Nine** unexcused absences.

Best wishes for a pleasant semester.
