	Time: 7:00 AM – TBA.	Material: Comprehensive	
Class Work	Class Activities: It is based on HW, quizzes, class tests, or other class activities determined by the instructor. Any quiz or test under class activity should be of written type. The average x (out of 60) of class activities of the sections taught by the same instructor should be in the interval $[36,45]$.		15% (60 Points)

Passing Grade:

A student should achieve at least **50% (200 Points)** to pass this course.

Exam Questions:

Questions of the common exams are based on examples, homework problems and exercises in the textbook.

Missing Exam I or Exam II:

No makeup exam will be given under any circumstance. In case, a student misses Exam I or Exam II for a legitimate reason (such as medical emergencies), his grade for this exam will be determined based on the existing formula which depends on his performance in the non-missing exam and in the final exam.

Attendance:

Attendance is a University Requirement (see p. 38 of the Undergraduate Bulletin 2006-2009). A DN grade will be awarded to any student who accumulates 09 unexcused absences.

Academic Integrity:

All KFUPM policies regarding ethics apply to this course.
