Grading Policy:

Exam I 15 MCQ	Date: <i>Wednesday, Feb. 26, 2020</i> Time: 06:00-07:30 PM	Location: TBA Material: 10.1 – 12.4	25% (75 Points)
Exam II 15 MCQ	Date: <i>Wednesday, Apr. 01, 2020</i> Time: 06:30-08:00 PM	Location: TBA Material: 12.5 – 14.6	25% (75 Points)
Final Exam 21 MCQ	Date: <i>Saturday, May 02, 2020</i> Time: 01:00 PM	Location: TBA Material: Comprehensive	35% (105 Points)
Online Homework	Online homework is provided through BlackBoard		5% (15 Points)
Class Work	It is based on quizzes, class tests, or other class activities determined by the instructor. Any quiz or test under class activity should be of written type and not of multiple-choice type. <i>The average x (out of 30) of class activities of the sections taught by an instructor must be in the interval [21, 22.5].</i>		10% (30 Points)

The Course Passing Grade: A student must score at least **50% (150 Points)** to pass the course.

Upgrade Policy: The upgrade policy is applied when 3 points out of 300 are needed to get the next higher grade. For instance, the passing grade (D) starts at 150/300. If a student gets 148/300 or 149/300, then his grade will be automatically upgrade to D. However, if a student gets 147/300 his grade will be upgraded to D only if his final exam score percentage is greater than or equal 50% i.e. (52.5/105).

Exams:

Exam Questions: The questions of the exams are based on the examples, homework problems, and exercises in the textbook.

Cheating in Exams: Cheating or any attempt of cheating by use of illegal activities, techniques and forms of fraud will result in a grade of **F** in the course along with reporting the incident to the higher university administration. Cheating in exams includes (but is not limited to):

- Looking at the papers of other students
- Talking to other students
- Using mobiles or any other electronic devices

Missing an Exam:

Exam I or II: No make-up exam will be given under any circumstances. In case a student misses Exam I or Exam II for a legitimate reason (such as medical emergencies), his grade for this exam will be determined based on the existing formula which depends of his performance in the non-missed exam and in the final exam.

Final Exam: If a student misses the final exam for a legitimate reason (such as medical emergencies), he will be given a make-up final exam.

Attendance: Students are expected to attend all lecture classes.

- If a student misses a class, he is responsible for any announcement made in that class.
- A DN grade will be awarded to any student who accumulates:
 - o **09** unexcused absences (for UTR classes, or equivalent for MW classes)
 - o **15** excused and unexcused absences (for UTR classes, or equivalent for MW classes)

Note: the general rule for DN: (See page 38 of the Undergraduate Bulletin 2006- 2009).

- o **20%** unexcused absences of the number of classes, or
- o **33%** excused and unexcused absences of the number of classes

The Usage of Mobiles in Class: Students are not allowed to use mobiles for any purpose during class time. Students who want to use electronic devices to take notes must take permission from their instructor.

Academic Integrity: All KFUPM policies regarding ethics apply to this course. (See the Undergraduate Bulletin).

Tips on how to enhance your problem-solving abilities:

- ✓ Do all homework assignments on time.
- ✓ Practice (but not memorize) more problems than those in the above list.
- ✓ Solve review problems available at the end of each chapter.
- ✓ Solve the problems on your own before reading the solution or asking for help.
- ✓ If you find it difficult to handle a certain type of problems, you should try more problems of the same type.
- ✓ Review the last lecture before coming to class.
- ✓ Practicing homework problems and reviewing the class lectures will make exam problems easier to tackle.
- ✓ Visit your instructor in his office hours. Always bring partial solution of the questions that you want to discuss with your instructor.
