Assessment

In case of a face-to-face Midterm and a face-to-face final are decided, a different scheme of grade distribution will be announced.

Activity	Weight
Attendance and participation	5% (15 points)
5 Online Quizzes. Two before the Midterm exam and Three after the Midterm	25% (75 points)
Online Assessment (Sections 1.1, 1.3, 3.1-3.6) 30 September 2020 from 6:00PM to 8:00PM	15% (45 points)
Midterm Exam (Sections 6.4-6.5, 7.1-7.4 and 7.8) 19 October 2020 from 6:00PM to 8:00PM	15% (45 points)

Online Assessment (Sections 5.1-5.4) 4 November 2020 from 6:00PM to 8:00PM	*15% (45 points)*
Final Exam: As posted on the Registrar Website	25% (75 points)

VERY IMPORTANT NOTE. It is your total responsibility to have a good internet connection, MS teams installed, and Camera on during the exam time. No excuses will be accepted about these issues.

Grade Assignment: A student must score at least 50% (150 out of 300) to pass the course and minimum score required for A+ is 90% (270 out of 300).

Missing an exam: No makeup exam will be given under any circumstances, when a student misses the midterm exam for a legitimate reason (such as medical emergency), his grade for this exam will be determined based on an existing formula, which depends on his performance in the non-missed exam and the final exam.

DN grade: A DN grade will be awarded to any student who accumulates 9 unexcused absences for classes UTR (Sunday, Tuesday and Thursday) and 6 unexcused absences for classes of MW (Monday and Wednesday)

Academic integrity: All KFUPM policies regarding ethics apply to this course
